

PERMIT CHRONOLOGY
for

Buena Ventura Resources Corporation

BVRC-West #1

S/047/039

(March 17, 1995)

June 21, 1989	NOI-SMO received from BVRC for Section 25: lots 1, 2 W/2 NE/4, T4S, R20E. Tar Sand project expected to disturb 4.7 acres. Variance request to allow eastern highwall to remain steeper than 45°.
July 13, 1989	Division letter to BVRC stating Notice is complete and variance granted with two conditions: (1) during the life of the mine, if highwalls show failure they will be reduced; (2) a rock safety berm will be constructed at the top of the highwalls.
January 5, 1990	Request for 1989 annual report sent to BVRC.
January 17, 1990	Received annual report for 1989. Report indicated core drilling and improvement to existing access roads took place. No mining.
December 31, 1990	Request for 1990 annual report sent to BVRC.
August 21, 1991	Division performed site inspection. Site includes an adit and several pre-law disturbances (assumed pre-law). No signs of recent activity.
January 14, 1992	Request for 1991 annual report sent to BVRC.
March 6, 1992	Fax copy of 1989 annual report sent to Pruitt, Gushee and Bachtell.
March 23, 1992	Received annual report for 1991. Report indicates site was inactive.
January 4, 1993	Request for 1992 annual report sent to BVRC.
December 21, 1993	Request for 1993 annual report sent to BVRC.
February 17 or 18, 1994	Phone message. Steve Burton/Jay Mealy (537-5605) indicated BVRC did not pick up option on mine under Native Asphalt.

Chronology
Buena Ventura Resources Corp.
S/047/039
March 17, 1995

February 22, 1994	Division informed Steve Burton there is no document on file indicating notice was transferred to Native Asphalt.
December 20, 1994	Request for 1994 annual report sent to BVRC.
March 3, 1995	Received copy of 1994 annual report letter with comments stating BVRC does not operate this mine.
March 6, 1995	Certified Division letter to BVRC stating no record of transfer to Native Asphalt. BVRC is considered the responsible party for the site. BVRC is asked to provide an annual report within 7 days of receipt <u>or</u> a completed permit transfer form.
March 9, 1995	Received letter from BVRC responding to the Division's last letter. IN 1989 BVRC conducted activities in this area under a prospecting agreement with Native Asphalt Company. BVRC has not been at the site since. Letter suggests contacting Carl Minden of Native Asphalt for additional information and clarification.
